JEFFREY ALEXANDER INTRODUCES THE OGDEN COLLECTION

Round details and square bases combine to add sophistication to any space.

[BOSSIER CITY, LOUISIANA – MAY 28, 2026] – Jeffrey Alexander® by Hardware Resources has introduced the **Ogden** collection, a clever blend of shape and structure that effortlessly brings elegance to cabinets and furniture. The Ogden collection combines refined round details and an elegant square base to bring versatile sophistication to any space. The Ogden collection combines refined round details and an elegant square base to bring versatile sophistication to any space, making it an ideal choice for transitional or traditional designs.

JEFFREY ALEXANDER®

by Hardware Resources

The Ogden collection includes one round knob, six coordinating pull lengths, and two appliance handle options, available in five trending finishes. Each piece is individually wrapped to prevent scratches and damage, with attachment hardware included for easy installation.

The Ogden collection knob from Jeffrey Alexander, shown in a Satin Bronze finish, features rounded details and an elegant square foot.

For more information about the Ogden collection and to see the complete line of Jeffrey Alexander decorative hardware, visit HardwareResources.com/Decorative-Hardware.
