JEFFREY ALEXANDER INTRODUCES SOULFUL DESIGN WITH DAVIS COLLECTION

Expressive curves and subtle structure create an understated, versatile decorative hardware design.

Davis Collection

JEFFREY ALEXANDER®
by Hardware Resources

[BOSSIER CITY, LOUISIANA – MARCH 25, 2026] – Jeffrey Alexander® by Hardware Resources has introduced a decorative hardware collection that blends seamlessly into traditional, transitional, and modern interiors. The **Davis** collection embodies a soulful approach to design, featuring a striking spherical knob and a confidently minimal cabinet pull. Expressive curves, subtle structure, and effortless elegance complement cabinetry throughout the home.

The Davis collection provides the perfect balance of form and function, offering six pull lengths, two appliance handles, and coordinating spherical knobs available in six beautiful finishes. Each piece is individually wrapped to prevent scratches and damage, with attachment hardware included for easy installation.

For more information on the Davis collection and to see the complete line of Jeffrey Alexander decorative hardware, visit [HardwareResources.com/Decorative-Hardware](https://www.HardwareResources.com/Decorative-Hardware).
