HARDWARE RESOURCES INTRODUCES NORTHPOINT CLOSETS

Easy to assemble pre-configured or personalized storage solutions that elevate every closet space.

(BOSSIER CITY, LOUISIANA – MARCH 6, 2026) – **Hardware Resources™**, a leading manufacturer of quality products for the kitchen, bath, and closet industries, is launching a new line of closet storage solutions under the brand **NorthPoint Closets™**. Designed to provide an easy way for kitchen and bath professionals to expand into the rapidly growing closet market, NorthPoint Closets are quick to assemble and install, and provide a clean, elevated look for any closet space. These closet systems are in stock and ship within 24 hours.

“The closet market offers an exciting growth opportunity for customers who are already working in kitchens and baths,” said Milan Cao, Product Manager for NorthPoint Closets. “This category gives them a simple and profitable way to expand their business and delight their customers.”

NorthPoint Closets are shipped ready to assemble with no guesswork. The innovative QuickSnap™ connectors allow closets to be assembled with ease and without tools. Customers can choose between pre-configured closet modules or create personalized storage solutions with hanging storage, shelving, and drawers. Available in two finishes, White and Mocha, NorthPoint Closets are available in a variety of widths, heights, depths, and configurations. Floor-mount and wall-mount modular units combine easily to create a personalized storage system. Hardware Resources makes it easy to complete the project with decorative hardware, Task Lighting, and closet organizers, all available from one trusted supplier. NorthPoint Closets can be designed using Cyncly 2020 Design or by using the free 17 Squares platform, available within the Hardware Resources dealer portal.
